Central Board for Prevention and Control of Water Pollution

1408. SHRI M. A. BABY:
SHRI SUKOMAL SEN:
DR. R. K. PODDAR:
SHRI MOSTAFA BIN QUASEM:

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) what steps are proposed to be taken for manning the Central Board for Prevention and Control of Water Pollution; and

(b) where and how the personnel are being trained for this specialised purpose?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI Z. R. ANSARI): (a) The Central Board for Prevention and Control of Water Pollution is manned by qualified technical personnel with adequate experience. Most of the officers and supporting technical personnel have background of science and engineering. In the Reorganisation Plan of the Central Board, adequate number of scientific personnel has been sanctioned to meet the requirment of projected expansion of activities of the Board in the Headquarters, the regional offices and in the field.

(b) The Central Board conducts and sponsors necessary training of the personnel. These training programme are organised at various institutions, colleges, universities; Government Departments and Central and State Pollution Control Boards. Some training facilities abroad are also utilised under bilateral and other assistance programmes.
